

Volumes 1-9 on sale now!

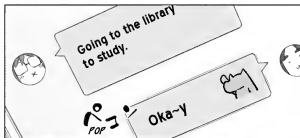

Hi, again! Just so you know, the official Volume 9 translation is out now, and I'm sure that Volume 10 is soon on its way. Please support the authors by buying their works. In fact, the official translators probably put out a much better end product than I ever could. The kindle versions are all less than 7 USD on Amazon (Japan or USA). That's really not expensive at all, and you'll feel better about yourself.

What? Are you moving there permanently?

I won't see you again, right?

It's nice that you'll come see me, but what I'm trying to say is ..
uh...

No, it's not like that...

I'll come see you. I'll save up money for lodging fees even.

I'll just be gone from Japan for a few years.

NOTE: SO IT BEGINS, MWAHAHA... --CAL
